

## Concrete Polishers

Perfect Polish is a world leader and innovator in the cutting-edge polished concrete market, providing its customers with state-of-the-art polished concrete flooring systems.

Concrete Polishers operate grind and polish equipment and work with a project team on job-sites throughout the U.S. We are currently seeking dependable individuals that are self-motivated and have the ability to follow directions. You must be willing to travel and work an average of 3 or more consecutive weeks at a time.

No experience is necessary but concrete form and finish flat-work and/or polishing experience is a plus. A TN driver's license with an F endorsement and DOT physical will be required as you may have to drive company vehicles.

We provide lodging while working out-of-town jobs, provide a per diem for food and expenses and pay for travel time to and from job-sites if using our vehicles. Starting pay will be based on experience.

Perfect Polish offers an excellent benefits package that includes medical, dental, vision and life insurance, 401k with a percentage match, vacation and holiday pay as well as many other benefits once employees meet eligibility requirements.

Pre-employment drug testing and background checks are required.

Applicants may apply in person and you can find us off of I75N, Exit 122 towards Norris, left at the first light E. (Norris road), left at Cedar place and follow to the end. If you have questions, contact Kim Farnsworth, CPT Human Resources, 865-494-7202.
